

Key Publications

Integrating Gender and Nutrition within Agricultural Extension

ingenaes.illinois.edu/library

GLOSSARIES

Gender (2015)
Nutrition (2015)
Extension (2015)

ACTIVITY SHEETS

(Available in English, Spanish, Nepali, Bangla, Russian)

1 Who Does What? (2016)
2 Who Has Power and Control? (2016)
3 Exploring Gender Myths (2016)
4 Power Over vs. Power With (2016)
5 Who Eats What? (2016)
6 What Goes on the Plate? (2016)
7 Gender and Nutrition within the Context of Agricultural Value Chains (2016)

VIDEOS AND WEBINARS

Gender and Nutrition in Extension Workshops (2016)
Who Does What? (2016)
Exploring Gender Myths (2016)
Power Over vs. Power With (2016)
Who Has Power and Control? (2016)
Who Eats What? (2016)
What Goes on the Plate? (2016)
Gender and Nutrition in the Value Chain (2016)
Women's Access to Markets in Bangladesh (2016)
Assessing Agricultural Technologies (8/2016 Webinar)
Aflatoxins and Extension in Zambia (4/2017 Webinar)
Making Extension and Outreach Trainings Gender-Sensitive (6/2018 three-part Webinar Series)

TECHNOLOGY PROFILES

Aflasafe (2016)
Fish Feed (2017)
Mini-Tiller (2017)
Treadle Pumps (2016)
Digital Fat Tester (2016)
Langstroth Beehives (2016)
Fertilizer Deep Placement (2016)
Rice Milling (2017)
PICS, Purdue Improved Cowpea Storage Bags (2016)
Conservation Practices for Vegetable Production (2016)
Household-based Pond Aquaculture and Homestead Gardening (2016)

PRODUCED IN COLLABORATION WITH GFRAS

Involving Men in Nutrition (2016)
Promoting Nutrition-Sensitive EAS (2016)
Integrating Gender into Rural Advisory Services (2015)
New Extensionist Learning Kit Module on Gender (2016)

LANDSCAPE STUDIES

Bangladesh (2017)
Burundi (2016) Cambodia (2016)
Ethiopia (2016) Ghana (2016)
Guatemala (2016) Haiti (2015)
Honduras (2016) Kenya (2016)
Liberia (2016) Malawi (2016)
Mali (2016) Mozambique (2016)
Nepal (2016) Senegal (2015)
Sierra Leone (2017) Rwanda (2016)
Tanzania (2016) Uganda (2016)
Zambia (2017) Tajikistan (2018)

TOOLS

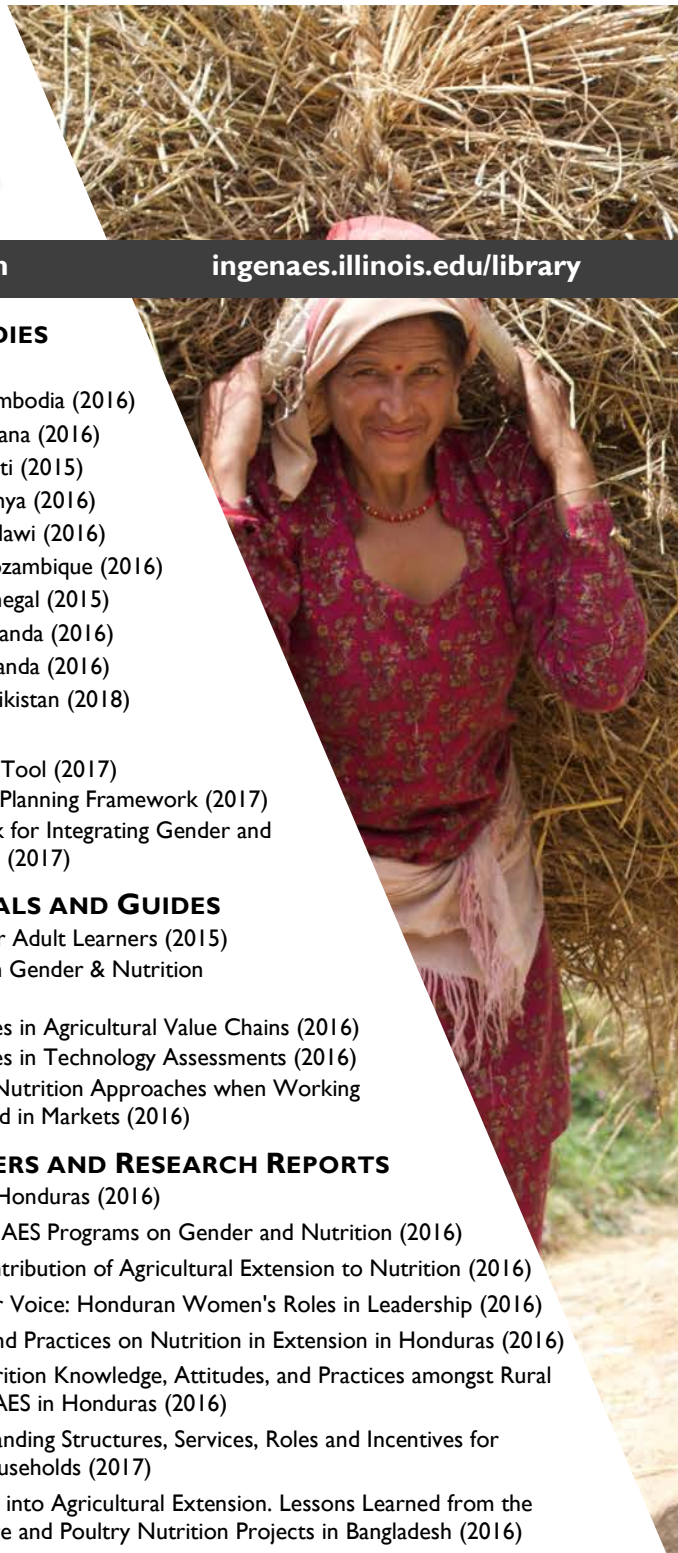

Technology Assessment Tool (2017)
Institutional Review and Planning Framework (2017)
Competency Framework for Integrating Gender and Nutrition within EAS (2017)

TRAINING MANUALS AND GUIDES

Participatory Training for Adult Learners (2015)
Introductory Training on Gender & Nutrition in Extension (2016)
Addressing Gender Issues in Agricultural Value Chains (2016)
Addressing Gender Issues in Technology Assessments (2016)
Integrating Gender and Nutrition Approaches when Working with Farmers Engaged in Markets (2016)

DISCUSSION PAPERS AND RESEARCH REPORTS

Farmer Field Schools in Honduras (2016)
Measuring the Impact of AES Programs on Gender and Nutrition (2016)
Conceptualizing the Contribution of Agricultural Extension to Nutrition (2016)
Creating a Space for Her Voice: Honduran Women's Roles in Leadership (2016)
Knowledge, Attitudes, and Practices on Nutrition in Extension in Honduras (2016)
Characterization of Nutrition Knowledge, Attitudes, and Practices amongst Rural Farmers Engaged in AES in Honduras (2016)
EAS in Zambia: Understanding Structures, Services, Roles and Incentives for Reaching Farmer Households (2017)
Mainstreaming Nutrition into Agricultural Extension. Lessons Learned from the Integrated Agriculture and Poultry Nutrition Projects in Bangladesh (2016)
Analysis of Indicators and Measurement Tools Used in Zambia to Assess Impact of Agricultural Extension Programs on Gender Equity and Nutrition Outcomes (2017)
Gender and Nutrition Measurement Tools: Evaluating their appropriateness in the context of Zambia (2017)
Organizational Capacity Building for Effective & Efficient Delivery of Gender-Responsive and Nutrition-Sensitive Services in Nepal (2017)
Implementing Gender-Transformative Approaches in Agricultural Initiatives (2018)
Integration of Nutrition Modules into Agricultural Training Institutes: Highlighting experiences in Burkina Faso, Ethiopia, Zambia, and India (2018)

Integrating Gender and Nutrition within Agricultural Extension

ingenaes.illinois.edu/library

FIELD GUIDES FOR EXTENSIONISTS

Malawi Agriculture Extension Field Notebook, that includes nutrition tips and explains how to provide gender equitable services (2017)

INFO, FACTS, TIPS & ACTIVITY SHEETS FOR FACILITATION

Creating a Strategic Plan for Your Organization (2018)

Part 1: Introduction to Strategic Planning

Part 2: SWOT Analysis, Creating Objectives, Activities and Outputs

Part 3: Performance Indicators and Planning Template

Our Values, Mission, and Vision (2016)

Suggested Training Kit Contents (2016)

Nine Questions for Planning a Training Session (2017)

Objective, Reflective, Interpretive, & Decisional Discussion Technique

Icebreakers, Energizers, Team-Building, Storytelling, & Warm-ups (2016)

Professional Skill Development Self-Assessment Survey (2017)

INFO, FACTS, TIPS & ACTIVITY SHEETS ON GENDER

The Veil of Ignorance Game (2018)

What about Gender? Integrating Gender into Ag Projects (2017)

The Whole Household – Gender in Agriculture (2016)

Gender Equity in Extension & Advisory Services (2016)

Adapting to Differing Levels of Education and Literacy (2016)

Accounting for Time and Mobility Constraints (2016)

Working with Farmer Groups (2016)

Addressing Gender-Based Violence (2016)

Gender Analysis Tools (2016)

Moser Triple Role Framework (2016)

Harvard Analytical Framework (2016)

Gender Analysis Matrix (2016)

Gender Equity in the Work Place (2016)

TIP SHEETS FOR GENDER-RESPONSIVE TRAINING

Basics of Effective Training (2017)

Great Content (2017)

Great Training Approaches (2017)

Creating a Supportive Community (2017)

Getting the Right People to Come (2017)

Making Sure the Right People Can Come (2017)

Getting Great Facilitators (2017)

After the Training (2017)

CASE STUDIES

Men's Perceptions of their Roles and Involvement in Household Food Decisions in Rural Bangladesh (2016)

Increasing Opportunities for Women Farmers in Community-Based Extension: a Case Study of the PROFIT+ Model (2017)

From Field to Table: Men's Participation in Nutritional Decision-Making in Agrarian Households in Honduras (2018)

Developing a Gender-Sensitive Training Module on Value Chains for Extensionists in Guatemala (2018)

INFO, FACTS, TIPS & ACTIVITY SHEETS ON NUTRITION

Nutrition-Sensitive Agriculture Messages (2017)

Basics of Nutrition (2016)

Eating Well, Staying Well (2016)

Eating a Variety of Foods (2016)

How Different Foods Help (2016)

Recognizing Vitamin A Deficiency (2016)

Nutrition for Pregnant Females (2016)

Nutrition for 6-9-Month-Old Infants (2016)

Nutrition for Toddlers (2016)

Nutrition during Illness (2016)

Nutrition for Active Adults (2016)

Nutrition for the Elderly (2016)

Iron Needs for Female Adolescents (2016)

Assessing Food Patterns and Gender Roles (2016)

Name this Foodborne Illness (2018)

Modeling the Spread of Germs using Turmeric (2018)

Nutritional Value of Cucumbers, Tomatoes, Mung Beans, and other cabbage-family vegetables (2018)

ASK ME FRAMEWORK

See www.agextonline.com/tools-and-best-practices.html or <http://meas.illinois.edu/methods-and-tools> for the complete set of info and tip sheets from the ASK ME framework. This is a subset:

Assessing Needs (2016)

Audience Analysis (2016)

Extension Principles (2016)

Extension Skills Summary (2016)

Extension Material Development (2016)

Evaluating Recommendations (2016)

Focus Group Seasonal Calendar (2016)

Recommendation Domains (2016)

RESEARCH REPORTS BY PARTNERS

The 2017 Malawi Agriculture Extension Field Notebook as a Capacity Building Tool (2018)

Women's Empowerment and Child Nutrition: Reducing the Gap with Dairy Cow Rearing in Bangladesh (2017)

Women in Post-harvest Activities: Understanding their Health and Nutrition Behavior in Bangladesh (2017)

Promoting Female Headed Households Farmers' Economic Empowerment for Securing Nutrition in Bangladesh (2017)

Analyzing the gender sensitivity of rural advisory services in Bangladesh (2017)

TECHNICAL NOTES

Food-Based Dietary Guidelines: An Overview (2016)

Methods for Teaching and Evaluating Food-Based Dietary Guidelines (2016)

Infant Feeding and Exposure to Aflatoxins (2016)

Involving Women in Outgrower Schemes (2017)
